The Application

Carefully consider the following questions before answering. There is no right or wrong answer we encourage you to put some thought into what you write. Be as honest as possible. The answers simply provide us with information about you.

What is your basic understanding of sexuality?

How do you think you would feel discussing issues of sexuality with your friends?

With people of the same sex? Of the other sex? In mixed groups?

In what way do you think HIV and other sexually transmitted diseases have affected the way young people view sex?

Describe your experience as a youth leader.

If not yet a youth leader, how do you think you can begin to be a youth leader?

What do you consider to be your main strengths and weaknesses?

Tell us something special about yourself or something that differentiates you from other people.
